NEW BEER LICENSE OK'D; ANOTHER PENDING REPORT

PAHOKEE — Two new beer license applications were received by City Council Monday night, and one was granted, the other put under consideration.

Granted was the application of Johnny Green for a beer and wine license to operate in a building owned by Mrs. G. C. Sanders, on Lake Ave.

Jaycee Festival Dance Tomorrow

BELLE GLADE — The Jaycee Summer Festival will be held tomorrow night at the Country Club with dancing from 9 p.m. to 1 a.m. This informal dress affair is being held for fund raising purposes and the admission charge will be \$2 per couple.

Dancing will be enjoyed to the strains of music furnished by the Ceejay orchestra. A local band, the group comprises Howard Payne, trombonist; Earl Skuce at the piano; Al Kretschmer, a whiz at the sax and on the clarinet; Eddie Crosby, guitarist, and Eugene Ellis, performing on the drums.

Come Visits — Al Cone, district vice president, of West Palm Beach paid his first official visit to the local Jaycee club last night. He was accompanied by a delegation from the West Palm Beach club.

At last week's meeting, members of the Jaycees viewed the "Belle Glade Story," a sound film which depicts the agricultural and commercial aspects of the city.

The Summer State Conference of Jaycees was held last weekend at Clearwater, with Bob Newman, LeBron Williams, Junior Dean and Eugene Ellis representing the local club.

CANAL POINT FIRM EXPANDS

CANAL POINT — By the end of the year Stuart's Repair Service in Canal Point will move into a new \$15,000 building, according to C. L. Stuart, owner.

Finding that he was turning away more big jobs than he could take care of in his present location, Stuart is expanding into a new 72 x 84 foot steel supported corrugated iron building. With access to the highway and to Lake Shore Drive, Stuart feels that he can give his clients the best of service.

Equipped with larger lathes and hydraulic presses, contracts which are in excess of \$6,000, Stuart will be able to handle and overhaul the heaviest type dragline equipment and the biggest types of pumping and other agricultural equipment, he said.

In business here since 1941 and a Canal Point resident since 1934, Mr. and Mrs. Stuart have faith in the future of the Glades and are investing heavily in it, said Stuart.

"Beef bacon" is a new beef product that is receiving a favorable reception from consumers in Florida.

HUBBELL PLOT IS SELECTED

BELLE GLADE — City Commissioners agreed unanimously Wednesday evening to purchase a site for the public health clinic without further delay.

Mayor Harold Rabin asked whether a bridge over the canal and a suitable driveway giving access to the proposed clinic site on the present hospital ground would not cost approximately as much, if not more than, the purchase price of a separately located clinic site. Commissioners Carlton, Close, Ashley and Ingram all agree that purchase of the site offered in July by Leroy Hubbell for \$3400 would offer the citizens of Belle Glade the most acceptable convenient location for their clinic.

The Hubbell property is 156 feet deep with a 280 foot frontage on Avenue D, being described as the NE 1/4 of lot 23, plat 23. The seller is to furnish a clear warranty deed to the city for the property.

Willis Stays Longer — City Building Inspector N. B. Willis, whose resignation was to have been effective Aug. 31, agreed to stay on for another 30 days in order to give the city the benefit of his experience while a replacement is being found for him. City Manager Tom Carlo recommended that Willis' offer be accepted. Mayor Rabin was heartily in accord with the proposal and Commissioner Carlton moved that the city would be advantaged by such action.

The commission adopted a resolution, as a result of a special meeting held by the commissioners Monday, designating streets over which spoil from the Hillsboro Canal work may be dumped. The contract will be able to use the following streets in hauling spoil: SW 6th (Continued on Page 8)

Driver Education For Maw 'n Paw?

Believing that parents should enjoy the triver training benefits received by their children, W. A. Slaughter, Glades driver education instructor, intends to do something about it.

Slaughter will attend the first meeting of the Governor's committee on health and safety as designated from the FEA which appointed his last May. The purpose of the meeting will be to formulate plans for the 1954-55 school year. Slaughter plans to offer the five-year FCD which he was appointed FCD chief engineer in June of 1953, replacing Turner Wallis, now FCD secretary.

Johnson finished up his work with FCD this week, and now plans an extended vacation.

The state of Florida has had cattle since the early days of the Spanish settlers.

"Light Bikes" Is Police Plea — PAHOKEE — Get lights on your bicycles at night, local children and parents were warned this week by Police Chief Leon Guthrie.

Lights, reflectors, or glow-tape are acceptable, but all riders are urged to have one or another on their bikes, said the chief. Recently, several accidents have been narrowly averted when drivers failed to see an unlighted bicycle at night.

Especially dangerous is the habit of pelling down the side of the levee into the intersection of Lake Ave. and Main St., the chief said. He asked the full cooperation of parents in order that the unlighted bicycles be marked henceforth.

WSWN SOLD TO ATLANTAN

BELLE GLADE — WSWN, "The Little Station With The Long Beach," has been sold by the Seminole Broadcasting Co. to E. D. Rivers, Jr., of Atlanta, pending FCC approval, Station Director Mary Foy announced yesterday.

The entire stock of the company is being purchased by Rivers from Dr. R. L. Pipes, C. S. Clemons and Mrs. Foy, of Belle Glade; and Dr. R. G. Nelson, president, Tampa, and Dr. S. C. Harvard, Brooksville.

Application for approval of the change of ownership was filed with the Federal Communications Commission in Washington Wednesday, Mrs. Foy said.

Reach Continues — However, the "little station" will not be out of Glades reach by a long shot, because "The only change taking place in the station is the ownership," Mrs. Foy said.

No personnel changes are contemplated, and Mrs. Foy will remain as director. The new owner is also the owner of Stations WEAS, Decatur, WJTV, Savannah, WGOV, Valdosta, and KWEM, Memphis.

WSWN will be seven years old on Oct. 3, and began broadcasting under the management (Continued on Page 4)

ASHLEY OPPOSED BY KIRCHMAN

BELLE GLADE — Incumbent Central borough City Commissioner Walter Ashley will be opposed by Donald Kirchman in the election on Sept. 14.

Kirchman filed in opposition to Ashley in the only race in which there will be a contest. Incumbent Mayor Harold Rabin has no opposition for his north borough seat on the commission.

Election officials were tentatively appointed at commission meeting Wednesday night. Clerk in the election to be held at the Legion Hall for both white and Negro voters is to be C. I. Evans; Laurence Bessant was appointed as alternate clerk; and board members will be Mrs. Mary B. Eggleston, Mrs. Sally Stein and Fred C. White.

Whether or not the city water supply should be fluoridated is the other issue on the ballot to come before approximately 1400 voters, according to City Clerk Frank Anderson.

Glades Polio 'Dollar Days' Are Here

Glades residents are being asked, today or tomorrow, to turn over a dollar apiece to meet the emergency need of the National Foundation For Infantile Paralysis.

In Palm Beach County alone, the polio deficit has reached \$17,000 because of the wholesale onslaught of polio this year.

A total of \$25,000 is needed to carry on the polio fight in Palm Beach County until the end of the year, according to Emergency Fund Chairman Kenneth Foster.

Drive Organized — In Belle Glade area, the American Legion Auxiliary is spearheading the local collection of funds, and Mrs. R. F. Riley, president of Everglades Post 20 Auxiliary has named Mrs. Lurline Brooks, community service chairman, as general emergency chairman. Co-chairmen are Mrs. Effie Allen, for South Bay, and Mrs. Fred Ogile.

There will be emergency fund workers at Chosen and Belle Glade post offices, and Bell's and Glades Drug Stores, at major grocery stores, and at nearly every other location where people will be congregated today and tomorrow. Harvey Poole has volunteered to take over the Negro collections.

In the Pahokee area, Mayor Lewis Friend said several women's groups have been asked to help make the street collections, and contributions of at least a dollar from each person are requested.

Hundreds of letters of solicitation have been sent out from Foster's headquarters, and recipients are urged by Foster to drop their dollars in the envelope and mail them back to headquarters post-haste.

Beer To Minors Up Tues.

PAHOKEE — Wilbur Fletcher, operator of Mathis Smoke Shop, local pool hall, will come to trial here Tuesday on a charge of selling beer to a minor.

Police Chief Leon Guthrie arrested Fletcher Tuesday on a warrant sworn out by State Beverage Dept. Officer Harry L. Conyers, of West Palm Beach. Bond was set at \$250, and Fletcher was freed when the bond was made Wednesday morning.

License Renewal

Chief Guthrie earlier this week had recommended to City Council that the pool hall license due for renewal next month, be refused at that time because of alleged sales of beer to youth under 21 years of age.

Secondly, the chief cited the state law banning persons under 21 from both playing pool in a public hall and loitering there, in which, he said, also had been violated.

Guthrie obtained an affidavit from a 16-year-old youth involved in a fight at the pool hall recently, testifying that the boy had purchased beer there.

Before Robbins

The signed affidavit and the boy were taken before Judge Richard P. Robbins Monday, and Robbins remanded the youth to Chief Guthrie's custody to report weekly to him.

A copy of the affidavit was sent to the State Beverage Department, and the warrant was sworn out the next day by Conyers.

Mayor Lewis Friend will hear the case at 9 a.m. Tuesday in Pahokee Municipal Court.

Food Freezers Checked...

Find Them to Be Good Investments

By IRA MILLER
Farm Electrification Bureau

Are farm and home freezers a good investment? Well, let's see what 114 families had to say about them when interviewed recently by staff specialists from Cornell University. All of the families had owned food freezers for 3 years or more. Thirty-five lived on farms, 43 in urban communities, and 36 re-

FOOD FREEZERS—pay their own way in many farm homes.

lived in rural areas but did not operate farms.

To the question—"has your food freezer paid its way?"—118 of the 114 families answered yes. Nine said they weren't sure, but added that they wouldn't be without one. Fifty-seven percent of the total cited convenience as the top quality offered by food freezers. The word, "convenience," can mean a host of things from ease of food preservation and storage, to having at hand a wide variety of cakes, pies, meat and vegetables ready to serve at a moment's notice.

Eighteen percent said food freezers helped them to save money. Many of them quick-froze their own home-grown products. Others bought at quantity prices—larger amounts of poultry, meat and commercially frozen food.

Preparation of meals is made easier with a freezer. Foods are ready to cook without peeling or washing. They cook faster, and you can prepare whole meals days and weeks ahead of any special occasion. Freezing retains more of the food value than any other method of food preservation. Valuable vitamins and minerals are frozen in. And frozen food holds its natural color and taste.

FORD IS FIRST IN SALES - by thousands

National new-car registration figures* for the first six months of 1954 prove that Ford leads the industry in sales! In fact, ever since car production has been free of restrictions, more and more new-car buyers have been swinging over to Ford. That's because Ford offers more things for more people than any other car. In today's Ford, for example, you get the matchless benefits of owning the only car in the low-price field with a V-8 engine (the new Ford Y-block V-8) ... the only car in Ford's field with the smooth ride of Ball-Joint Front Suspension ... the only car in Ford's field with truly modern styling ... the only car in Ford's field with such high resale value.

Deaths PIONEER RESIDENT TAKEN ON COAST

Anton Karl Kallertbrunner, well known pioneer resident and merchant of Pahokee, died Tuesday at a West Palm Beach hospital following a lengthy illness.

A native of Canada, Mr. Kallertbrunner came to Pahokee in 1918, where he resided until a few years ago when he moved to Lake Worth and later to West Palm Beach. Mr. and Mrs. Kallertbrunner operated one of the pioneer oil and gas stations in this area, and were later in the clothing business. Mrs. Kallertbrunner passed away several years ago in West Palm Beach.

Survivors include three sisters, Mrs. F. Baker, Regina, Saskatchewan, Canada; Mrs. Garnett W. French, Dunbar, W. Va.; and Mrs. Mary Akins, Hearne, Saskatchewan.

Vogel Funeral Home was in charge.

M. H. WARING FUNERAL SERVICES

Friends here have received word that M. H. Waring, father of Ben S. Waring, died suddenly at Madison where he has resided many years and once served as chief of police. Funeral services were conducted at 4 p.m. Wednesday and burial was in Madison. The deceased resided in Pahokee about two years assisting his son, Ben Waring, with his farm activities.

Improved pastures in Florida have grown from 50,000 acres in 1935 to 1,500,000 acres in 1952.

A member of the First Baptist Church of Belle Glade, Miss Starling leaves her mother Mrs. W. H. Starling of Adel, Ga., three brothers, N. N. Starling and L. H. Starling, Belle Glade, and E. H. Starling, Jacksonville, two sisters, Mrs. A. A. Cady, Pompano Beach and Mrs. Emanuel Wilkes of Adel, Ga.

Driver Training Car From Elliott

Driver education trainees will learn to drive in another new Ford this year, according to W. H. Slauter, program instructor in Pahokee and Belle Glade schools.

The standard gear shift, four door sedan to be used during the school year was donated for the use of the driver education program by B. Elliott Motors, Pahokee, Slauter said. Equipped with dual controls for brake and clutch, the Ford will furnish students a classroom on wheels to teach them good driving techniques, said Slauter.

CARD OF THANKS

We wish to express our profound thanks to all of those who through thoughtful kindness, tributes of flowers, and in so many other ways, made our bereavement easier to bear.

REV. MR. WATSON

South Bay Baptist Church began revival services Monday night and will continue through Sunday, with Rev. Allen Watt as guest speaker. Rev. Mr. Watson is the pastor of Northwood Church, West Palm Beach.

He is a native of South Carolina and was graduated from Furman University, after which he spent three years in the navy. He returned to the Southern Baptist Theological Seminary in Louisville, Ky., and studied there for five years.

Rev. Mr. Watson went to Northwood church as pastor in 1951 and now appears six times each Sunday at 6 p.m. with the church's program "Invitation to Life." He is a trustee of the Baptist Bible Institute and vice president of the Florida Baptist Pastor's Conference.

Rev. John Cooper, pastor has extended an open invitation to the public to attend these services. The nursery will be open each night to care for the small children.

The Pahokee Nazarene Foreign Missionary Society met Friday night at the Nazarene parsonage with Mrs. Kenneth Price, president, presiding. Mrs. Earl Pitts gave the mission study centering around missions in India.

Members of the T.E.L. Class of Canal Point Baptist Church conducted a social and business meeting Monday night at the church with Mrs. Grady Echols, social chairman in charge of arrangements. Mrs. M. F. George is teacher of the class and Mrs. C. B. Jones, class president.

PAHOKEE METHODIST SERVICES SET

On Sunday the morning worship service at Pahokee First Methodist Church will be conducted in the absence of Dr. Rembert A. Guy by Rev. Charles A. Thompson of St. Petersburg.

Rev. James L. Merrill of First Baptist Church, Pahokee, will conduct the Sunday evening service.

of Tom Watson, Jr., then president of Seminole Broadcasting. Mrs. Foy was its first commercial manager. Clemens began as chief engineer and still holds that position, and the third member of the original staff was a chief engineer. Bill Eggleston, program director and announcer.

Harvey Poole, a leading Negro resident of Belle Glade, went on the air with WSWN only a few weeks after its first broadcast, and has built up a large following for his Sunday morning "Spiritual Hour." For the past few months, he has been broadcasting "Harlem Hits," the daily sign-on show.

7 Other Staff

Others now on the WSWN staff are Miss Eva Johnson, traffic manager; Marvin Smith, sales manager; Dick Harvey and Don Clark, announcers; Paul Davidson, student announcer; Howard Payne, relief announcer, and Francis Miles, assistant engineer.

Except for occasional accidental blackouts and the loss of its transmitter in the 1949 hurricane, when service was interrupted until emergency poles could be put up, WSWN has been the daily voice of the Glades area. Occasionally, it has made sounds in the night, as well, when capable Manager Foy was forced to fly in the face of federal regulations to stay on the air with hurricane warnings.

Mrs. Foy, who succeeded Watson as station director when he resigned to take up missionary work in the Far East, is a native of Kansas. She has been a Floridian since 1924, coming to the Glades from Station WIRA in Ft. Pierce.

BABY FEEDING

Before parents, especially those having little or no experience with babies, decide to follow a "demand" feeding schedule for their infant, it would be wise to discuss the program with their doctor. Demand feeding is based on the idea that babies should not be kept on a strictly regulated schedule but should be fed when they appear to be hungry. This type of feeding program is not to be condemned, but one of its greatest drawbacks seems to be that many parents are not to decide whether the baby is simply hungry every time he cries. If they follow it rigidly, some entirely different problem, perhaps serious in nature, might be overlooked.

Demand feeding tends to upset the entire household routine and exaggerate beyond reasonable limits the importance of the child. It may be the first step in later development of much latitude in general behavior.

During illness of the child, it may become necessary to follow a strict program of feeding and medication. Parents accustomed to the demand plan may have trouble making the necessary adjustments.

At the other extreme is the strictly regulated feeding schedule which when followed has the baby eating by the clock. This one is equal in drawbacks to demand feeding and overlooks the fact that the baby is an individual who may not prefer to eat each time food is offered him. Actually a compromise between the two programs is desirable. It is well to know the number of hours since the baby had food. This may indicate to the mother his reason for crying. If only a short time, she will know he is not hungry and that something else is making him uncomfortable.

Yet at times as with most individuals, he will need a second serving and demand it by crying. The seemingly tiny bit more the offers will bring smiling satisfaction.

FIRST CHURCH OF CHRIST, SCIENTIST, Belle Glade CHRISTIAN SCIENCE GROUP.

Canal Point
Christ Jesus' mission to reveal divine healing which overcomes sin, sickness, and sorrow in every age, will be brought out at Christian Science services Sunday.

Scriptural selections in the Lesson-Sermon entitled "Christ Jesus" will include the following from Matthew (11: 4, 5): "Go and shew John again those things which ye do hear and see: The blind receive their sight, and the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised up, and the poor have the gospel preached to them."

The following passage will be read: "Science and Health with Key to the Scriptures" by Mary Baker Eddy (131: 25-30): "The mission of Jesus confirmed prophecy and explained the so-called miracles of olden time as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' works established his claim to the Messiahship." The Golden Text is from John (1:17): "The law was given by Moses, but grace and truth came by Jesus Christ."

PAHOKEE BAPTIST WORK TEMPORARILY HELD UP

Work on the new sanctuary of Pahokee First Baptist Church has been suspended for the past three weeks, awaiting the arrival of trusses for the roof.

Wiley Tillis, who is in charge of building activities, reports that a firm in Miami has been given the order for construction of seven large trusses especially designed for the church, but because of scarcity of certain materials the order has not yet been completed. Joe Cassellus of Belle Glade and his helpers will continue work on the building as soon as the trusses arrive.

CANAL POINT BAPTISTS TO HEAR WORTHAM

Charles Wortham, son of Dr. Wortham, pastor of First Baptist Church in West Palm Beach will preach at the Sunday morning and evening services of Canal Point Baptist Church, in the absence of the pastor, Rev. Joe G. Clements, who is vacationing with Mrs. Clements and daughter Carol Ann in Alabama. Young Wortham is a student at a Baptist college in Texas.

SWISS MINISTRY STUDENT AT BG CHURCH OF CHRIST

The furtherance and promotion of international goodwill was in evidence at the Belle Glade Church of Christ services this past Sunday when Heinrich Blum of Zurich, Switzerland served as guest preacher in the pulpit.

Mr. Blum has been in training for the ministry for the past two years at Florida Christian College, Tampa. His twin brother has also been studying for the ministry during the same period of time at Harding College, Searcy, Ark. Upon completion of their studies both young men plan to return to their homeland where they plan to carry on their church work. Mr. Blum will occupy the pulpit for the next two Sunday services.

Construction consisting of a two-story classroom and a covered walkway to the church is now underway. Plans also call for the decoration of the auditorium and the installation of a gas furnace.

PAHOKEE MYF SETS PROGRAM

A meeting of the Methodist Youth Fellowship Council was held at the home of Philip Dulaney, vice president of the MYF Monday night. Bobby Howell, president, was in charge of the meeting. Programs for the senior and intermediate fellowships which will meet jointly during September, were outlined. Other members of the council are: Paul and Chuck Elliott, David Cunningham, Annette McIntosh, Kay Joyce, Phoebe Ann Ramey, Friend Lynn Hurt and Linda Sellers.

PAHOKEE BAPTIST GROUPS TO MEET

The WMS of Pahokee First Baptist Church will meet Monday afternoon, Aug. 30, 3:30 o'clock, with members of the Helen Hayes Circle in charge of the program directed by Mrs. H. L. Speer, program chairman of the circle. Mrs. Joe Thompson, president, will be in charge of the business meeting.

On Tuesday, Aug. 31, at 7:30 a.m. members of the WMU of Pahokee First Baptist Church will have a mission study. The book, "Pilgrimage in Brazil," by Everett Gill, Jr., will be taught by Mrs. William Thibaud of Belle Glade Baptist WMU. Members of the Canal Point WMU have been invited as guests.

BELLE GLADE BAPTISTS SET 'SERMON IN SCARF'

A "Sermon in Scarf" will be presented at Belle Glade First Baptist Church Sunday at 8 p.m., with a full program of music to include 60 voices, a violin solo, and organ-piano duets. The theme will be "The Glorious Christ."

Among events coming up for the young people, according to Rev. U. W. Malcolm, pastor, are a fellowship program with the Methodist young people at the latter church at 9:15 p.m. Sunday, and a "School Daze" party planned for Sept. 5 at the Baptist church recreation hall.

A new study course on "Jesus the Teacher" will begin Monday, with Rev. Mr. Malcolm taking the men's class and Mrs. Malcolm the women of the church. The book explains how Jesus dealt with individuals.

BELLE GLADE METHODIST YOUTH WEEK BEGINS

A pot luck supper to which all young people between the ages of 12 to 23 are invited will usher in Methodist Youth Week at Community Methodist Church on Sunday. The supper will start at 6 p.m. and each one attending is asked to bring a covered dish.

A class discussion on the topic "Stewardship" will follow with Julian Griggs serving as leader for the older youths and Mrs. Ed Garrett acting in the same capacity for the intermediate group.

Following a worship program a fellowship hour will be enjoyed with the playing of games and singing of songs. Classes will start each evening at 7 p.m. with the topic for discussion and leadership being the same on Monday and Tuesday nights as on Sunday.

Wednesday and Thursday discussions will be in charge of Rev. Ed Garrett, pastor of the church. The week's activities have been planned by the Senior Youth Fellowship.

The evening worship services will be in charge of Rev. Ed Garrett, pastor of the church. The week's activities have been planned by the Senior Youth Fellowship.

Teachers Visit Glades Points

BELLE GLADE — Teachers from other parts of Palm Beach County toured this city last Wednesday as part of a county set-up to acquaint out of county and out-of-state teachers with local conditions and affairs which will give them a better understanding of problems relating to the county.

Two hours in the morning were spent at the Everglades Experiment Station where Dr. W. T. Forsee, jr., chemist in charge welcomes the groups. Gathering in the Mayo Pavilion the visitors were given brief talks by the following: Dr. Al Kretschmer, soils and plant nutrition; Dr. Victor Guzman, horticultural crops; Dr. Victor Green, agronomic crops; Dr. R. V. Allen, fiber crops; Dr. Sydney Cox, plant diseases; W. H. Thames, jr., insects; R. W. Kidd, animal husbandry; John Barnum, agricultural engineering.

A visit was made to the Duda Farm where celery seed beds were inspected and to the Wedgworth Farm where growth of the cattle industry was explained. Following lunch the afternoon was spent visiting the livestock market and the packing house district.

Seventy-five to 80 per cent of the teachers making the tour were from out-of-state.

MISS WILSON, MR. ELLIOTT TO WED. SUNDAY, SEPT. 5

Miss Sylvia Annette Wilson, daughter of Mr. and Mrs. Lon B. Wilson, Pahokee, has announced her wedding plans. She will marry B. Elliott, jr., son of Rep. and Mrs. B. Elliott, Pahokee. ROSARIAN ACADEMY

Serves Entire Community Faithfully

Of all the institutions which go to make a community great few can be of greater importance than its schools. Rosarian Academy shares this tremendous responsibility. The school with its well qualified faculty offers an exceptionally careful educational guidance program. The school has splendid, modern equipment and is beautifully located on Lake Worth.

ROSARIAN ACADEMY provides good physical and spiritual surroundings. Youth who attend here are guided, led and inspired by people who have made the teaching and guidance of youth their life work.

Florida is known for the quality of its educational institutions. Leaders in educational work know that ROSARIAN ACADEMY is an essential factor in and contributor to the educational development of this and the surrounding territory. Its steady growth is the result of serious leadership and admirable policies. The public and everyone in every walk of life are coming more and more to realize that the CHURCH is of tremendous importance not only in life and living but also in the educational and building of youthful minds and intellects.

We are pleased to compliment ROSARIAN ACADEMY on a fine record of achievement and wish them continued success.

PAHOKEE LIONS

HEAR TV MAN

PAHOKEE — Pahokee Lions heard Mel Greene, WJNO-TV Channel 5 representative, speak at their meeting Tuesday.

Greene outlined the regulations under which TV stations operate and pointed out the low frequency 100,000 watt transmitter here is FCC authorized and is using maximum power now. Technical details explained by Greene in layman's language showed how the programs received here are taken off the cable at the telephone office in West Palm Beach, microwaved across Lake Worth to the new studio and then microwaved to the transmitter some six miles from the station at Lake Park. From there it is telecast to individual sets.

In answer to questions, Greene indicated that sports events, news and hunting and fishing events will be TV subjects.

Chairman of the barbecue committee to raise funds for an electric scoreboard at Lair Field, Bill Moss, and his committee, Frank Rozelle, James Vann, Webb Pell, Clyde Canipe and Rupert Mock told of plans for the barbecue to be held Wednesday, Sept. 8, from 4 to 7:30 p.m. Ralph Johnson presided and the program was responsible for the program.

Adopt Budget

An ordinance was adopted on first reading adopting a city budget for 1954-55 providing funds for the General Fund of \$345,572.41 and for the Water Department \$108,300. In addition the commission adopted on first reading an ordinance fixing millage on tax-delinquent property, real and personal at 15 mills.

Other actions of the commission:

PAID outstanding bills:

ACCEPTED a bid of \$1972 for a duster and sprayer;

DISCUSSED appropriate action for reimbursement of N. B. Willis for damage to his personal car from an accident incurred by a city truck;

HEARD Commissioner Ashley, as Belle Glade representative on the Port Mayaca Cemetery Commission, report that, inasmuch as the charter of that commission provides for its records to be revolved between the three cities participating, consideration by the city should be given to whether transfer of the records from Pahokee to Belle Glade would be advisable in the next year. The commission also heard the minutes of the last four meetings of the tri-city cemetery commission;

HEARD proposed pay schedule for city employees as included in the budget set for 1954-55.

Instructed to write to the owner of the property at 127 Annona and inform him of the cleanup order. Councilmen decided to see individually the local owners of overgrown lots on E. Main Street, and Cypress and ask them to clean up.

The letter also asked that immediate condemnation proceedings be instituted for removal of a dilapidated two-story wooden building on Lake Lane in the block between First and Second Sts. Councilman Mims and Building Inspector Frank Thompson were assigned to report on the condition of the building at the next meeting.

The Council will sit as a Board of Equalization Sept. 13, to consider complaints of taxpayers on assessments in the \$2,275,793 tax roll presented Monday night by City Clerk Dorothy Graham.

Other Actions

HEARD a letter from Fred Bair, jr., executive secretary of the Florida Planning & Zoning Association, outlining procedures for the forthcoming zoning sessions he will hold with the city, and decided to ask him to come as scheduled Oct. 4, rather than for a first planning meeting.

REFERRED to Councilmen Simonson and Mims, for report at the next meeting, the request of Everglades Memorial Hospital Administrator Jesse W. Reel, that "consideration" be given the hospital on its annual \$20 garbage tax and approximately \$300 per year water bill.

TABLED until next meeting several requests for additional street lighting.

ASKED Councilman Simonson to look further into the cost of purchasing two lots at the corner of Lake Ave. and Main St. for possible future expansion of the Water Works; after Simonson asked consideration "for the future" and reported that Abe Dobrow's 56 x 88 lot

Under the Everglades Federal Saving and Loan Association's direct loan to veterans program, Earl Chance, Pahokee, and his family will be the first to move into an already constructed home. Although Chance was the first to apply for such a loan his approval was second to come through, but the first approval was for a building loan so Chance is the first to occupy a house under the program, Chance said.
